3. Purpose of Use:	4. Place of Use:	Section	Township	Range	Base and Meridian	Acres
DOMESTIC	NE ¼ of SE ¼	6	8S	4W	MD	

20. This registration is subject to the submittal of a report of water use and satisfactory renewal of the registration, on forms to be furnished by the SWRCB, including payment of the then-current renewal fees prior to the expiration of each five-year period following the date of first filing the completed registration.

22. The point or points of diversion and the place of use registered herein may be changed by filing a completed amended registration form with the SWRCB, including payment of the then-current registration fee. Such change shall not operate to the injury of any legal user of the water involved.

23. The appropriation registered herein shall be totally or partially forfeited for nonuse if the diversion is abandoned or if all or any part of the diversion is not beneficially used for a continuous period of five years.

24. The appropriation registered herein is subject to enforcement, including but not limited to revocation, by the SWRCB if 1) the SWRCB finds that the registrant knowingly made any false statement, or knowingly concealed any material fact, in the registration; 2) the registration is not renewed as required by the conditions of this certificate; or 3) the SWRCB finds that the registrant is in violation of the conditions of this registration.

25. In the event that water is to be collected to storage under this registration, the Registrant shall install and maintain an outlet pipe of adequate size and capacity through the dam, as near as practicable to the bottom of the natural stream channel so that water that is not authorized for collection to storage can be bypassed through the dam. In the event that the dam is already constructed, registrant shall provide other means satisfactory to the Chief of the Division of Water Rights for bypassing water. Before storing water in the reservoir, registrant shall provide evidence that substantiates that the outlet pipe or other means of bypassing water has been installed. Evidence shall include photographs showing the completed works or a certification by a registered engineer. The facilities shall be maintained and operated to ensure compliance with the terms of this registration.
